ACT

ACT Project

The project ACT! was created to support Sustainable Development Goals. The Sustainable Development Goals (SDGs) are 17 goals defined by the United Nations to tackle the world's biggest problems by 2030.

The goals derive from the United Nations' international agreements on processing towards explicit sustainability in 2030, shared in the United Nations Development Programme. ACT! is an Erasmus+ KA2 project which lasts 28 months....

Project results

Four (4) project results will be created, during the project's implementation. ACT! project focuses on developing the needed tools and methods so as children and teachers from different countries and educational and cultural environments to work together on global topics related to the sustainable development goals. The project results are the following:

- Self-Reflection Tool for teachers on cross-border learning synergies for the SDGs.
- Online Training Program for teachers in cross-border cooperation for the development of the SDGs in schools.
- Community e-platform for cross-border cooperation on the SDGs.
- Online Workshops for cross-border cooperation on the SDGs.

Our Transnational Project Meeting (TPM), in Greece!

After almost six (6) months of our kick-off meeting, in Denmark, project's partners met in Greece. The Transnational Project meeting took place on the 6th and 7th of September, hosted by Themistoklis S. A., in Piraeus, Greece.

10 representatives of the partnership participated in the meeting. During the first day, partners had the chance to learn a few things about Themistoklis' S.A. history....

Comments from the hosts (Themistoklis S.A)...

"We are fortunate to be working under this great partnership which flourishes by the leading organization (SOSU Østjylland). Tasks and responsibilities are defined, and the frequent meetings allow us for continuous communication and problem solving..."
